

26th Nordic Congress of Clinical Neurophysiology

May 10-12, 2012. Lund, Sweden

The Swedish Society for Clinical Neurophysiology cordially invites you to participate in the 26th Nordic Congress of Clinical Neurophysiology in Lund on May 10-12, 2012.

In line with previous successful Nordic congresses, this meeting will consist mainly of symposia with invited lecturers and of poster sessions covering both the central and peripheral nervous system. A separate session for technologists is under planning. All sessions will be held in English.

Please contact us if you want additional information.

On behalf of the Organising Committee

Gert Andersson Marianne Ors
MD, PhD MD, PhD
